

Dear Customers and Friends,

We understand that you may not be thinking about purchasing supplies or parts for stock at this time, but we want you to know we are thinking about you.

We are OPEN for business.

United Laser and all team members are here to take care of your business needs. We remain committed to providing the highest possible customer service through these uncertain times.

- Operation teams are in place and remain capable of processing orders & performing admin/support duties.
- We have the supplies and parts available to support your business.
- Our warehouses are open and able to ship orders the same day when placed by 4 PM Eastern Standard Time (EST)
- Sales consultants are available to provide you with the excellent support that earned your business in the first place.
- Website ordering 24 hours a day on unitedlaser.com
- **Our business partners, distributors, and manufacturers have indicated that at this time, the supply chain is unaffected.**

We all realize the situation is extremely fluid and volatile. United Laser Leadership is closely monitoring events in real-time and will remain vigilant in our efforts to meet our customers' needs.

If you have any questions or needs, please reach us by email or phone.

Please be safe!

Chris Peebles, President
UNITED LASER
