EMPLOYEE SCREENING TOOLKIT

Honeywell

go canvas

PRODUCTS INCLUDED:

- Honeywell CT60
- GoCanvas

Screening Made Easy

Keeping your team and community healthy is more important – and more difficult – than ever. Corona-virus is changing the way you manage your workforce, and it can be tough to keep up with the latest recommendations and requirements. Remove a layer of uncertainty with GoCanvas's pre-built mobile forms, designed for comprehensive employee care during this crisis. Screen employees for symptoms, update them with new guidelines, and ensure they're complying with protective measures, all using Honeywell's CT60 Mobile Device!

Features & Benefits

- 4 fully configured, easy-to-deploy employee management mobile Apps
- Automatic email distribution of completed forms
- Permanent, searchable cloud storage of everything you collect
- Dashboards and alerts so you can see what's happening at all times
