RESTAURANT ONLINE ORDERING SYSTEM

star | ChowNow

A CUSTOM ONLINE ORDERING EXPERIENCE

ChowNow is an online ordering system built for and customized to your restaurant. You pay a flat monthly or annual fee instead of a cut of your sales. With ChowNow, you get a custom-built mobile app branded with your business, an integration for online ordering on your website, and a dedicated ChowNow tablet. Your patrons can also order from sites like: Facebook, Yelp, and Google.

Features & Benefits

- Custom-built iPhone and Android ordering apps that are branded to your business
- Ability to order directly from your website
- Dedicated ChowNow tablet to receive multiple orders at once
- Increased visibility to new customers through Facebook, Yelp, and Google
